## The Girl of the Week

GLORIA DA SILVA

Our "Girl Of The Week" Today

We're back with the Da Silva's this week in selecting our girl of the week and every reader will agree with us that it is a good family to be "back with".

Our cover girl today is lovely Gloria, daughter of Lago Heights' Albert da Silva.

Continued on page 1.

**"I think you'll like Schlitz best, too"**

Schlitz tastes so downright good so consistently to so many people that they have made Schlitz *the largest-selling beer in America.*

Next time, drink Schlitz. You'll like it best, too.

Nº 25

## Girl of the Week.

Gloria who stands 5 feet, 2 inches, and tips the beam at 124, has three brothers and two sisters both of whom already made the cover page of our magazine.

It was in Barbados, B.W.I., that the happy event of Gloria's birth took place on March 28, 1932, but she attended school in Curacao, graduating from the Maria College (MULO).

She has taken a course in stenography and is currently employed by the Aruba Commercial Bank.

Gloria's heart is still on the "available" list. In the line of sports and hobbies we find her going for baseball and softball, table tennis, dancing and correspondence. She is very fond of travelling too, and just loves housework.

Her greatest joy, claims Gloria,

is to come home after her day's work at the bank to join her family — and possibly a few friends — in listening to her big selection of records. "After all", says our girlie, "having been away from home for 5 years to complete my studies has thought me that there really is no place like home".

Gloria forgot to tell us that together with Joan and Yvonne she hopes to make Canada her "home" in the very near future.

## LOCAL NEWS

### SERIOUS ACCIDENT NEAR SPORT PARK

On Sunday afternoon at around 5 o'clock a serious accident took place as little 13 years old cyclist K o c k was struck down by automobile No. A-2842 in the Ceintuurbaan in the vicinity of the Lago Sport Park.

The lad was seriously injured and taken to the Lago hospital. His bicycle was dragged under the vehicle for quite a distance and is damaged, it is believed, beyond repair.

The police are investigating the cause of the accident.

#### ED. NOTE:

With the construction of the new highway and other connecting roads in front of and around the Sports Park, traffic passing the large main gate to the sport park has increased considerably.

In the interest of safety, the Lago may wish to consider keeping this gate closed and substitute two double turnstile pedestrian gates instead. This will prevent children from rushing in and out (either on bicycles or running) and into the main road.

For your LAUNDRY  
and DRYCLEANING

ARUBA LAUNDRY INC.

"Super Cleaning"

TEL. 5194

The main gate can be left in tact and used when equipment or material has to be carried to or out of the park. The ground keeper could be charged with the responsibility of keeping the gate locked.

The local police authorities may also wish to consider placing caution ("Children at play") and speed limit signs in this vicinity where the situation may become even worse with the opening of the new Princes Marijke school.

### RUMOR — A LYING JADE

Over last week-end a wild rumor sprang up that travelled all over Aruba in very short time.

According to the most popular version of the story, a taxi driver picked up a passenger with a box to take Rooi Hundo. On reaching a house there, the passenger asked the taxi man to wait a moment. When he did not reappear, the taxi driver went to the house, but he was told no man was there.

He then decided to take the box to the Police Station. On opening it, he discovered the dismembered body of a woman! There were variations, of course. One was that another passenger in the taxi saw blood flowing from the box, that the man had given the taxi driver the box to

## Through-out the World

CAMEL is first, first in SALES  
and first in QUALITY

take to some house; again, it was a child in the box; and above all, the taxi driver was put in jail!

It was a story that gathered ground in no time. However, from police information, the story is nothing more than a hoax and should be forgotten.

The person who started is must have had a good laugh!

### FIREFLIES COLLIDE IN CURACAO; ONE LIFE LOST

During practice exercises at Curacao Tuesday of this week, a serious collision of two fireflies of the Mariniers took place near the "Tafelberg" in Curacao, demanding the life of one of the pilots. The victim was P. Dekker whose plane crashed four miles west of Point Canon, behind the Tafelberg.

Early in the morning three fire-

flies took off for formation exercises. Around 8.45 AM workers at Nieuwpoort heard a terrific noise created by airplane engines coming from behind the Tafelberg, but the planes could not be seen from Nieuwpoort.

The P-6, flown by the victim, took a rapid climb following the

this plane, however, suffered no personal injuries. He used his parachute and landed safely, returning to Hato the same morning.

As soon as the report of the accident was received the fire brigade, ambulance and medical help were dispatched to the site.

and soaked with soap was suddenly left standing without water not knowing the cause of it.

He later inquired and found out that a workman of the waterworks was busy working on the line while on the other hand he's water bill was promptly paid.

As we look at it there must be something those in authority can do that things like this should not recur.

**BASEBALL GAME AT WILHELMINA STADIUM.**

There will be a baseball match at the Wilhelmina Sport Park tomorrow morning at 10.15 between Baby Ruth and La Esfera.

The game is being played in aid of the fund for the forthcoming visit of the relic of "Our Lady of Coromoto."

This relic is scheduled to arrive in Aruba shortly, from Venezuela where it has been in existence for about 300 years.

Accompanying the statue will be three bishops, five priests and a number of Catholic laity. After arrival at the airport there will be a procession to the Church of St. Francis in Oranjestad. At midnight there will be celebration of the Mass.

The relic will remain three days in Aruba and then be taken to Curacao and Bonaire.

There is an interesting story con-

nected with this relic of "Our Lady of Coromoto," which we hope to publish in our next edition.

**"CLUB MIRAMAR"**

Last Saturday October 11, 1952 the progressive Club MIRAMAR inaugurated the new dance floor which has been added to their clubhouse with a dance.

A prize was awarded to the best couple dancing with a balloon and another prize to the best couple dancing with an apple. The Venezuelan Consul and the Peruvian Consul who were invited guests of the Miramar club that night, enjoyed so much the party that they both gave donation to help cover the expenses of the new dance floor.

**METHODIST SUNDAY SCHOOL CONCERT.**

The San Nicolas Methodist Sunday School will present its annual concert on Sunday, October 19, 1952, at 7.30 p.m.

The program will include dialogues, recitations, violin solos, choruses by the Sunday School Choir, etc.

**B.W.I.A. MEETING.**

There will be a regular meeting of the British West Indian Association at the Excelsior Brass Band Club at 8 p.m. next Wednesday,

October 22nd. At this meeting plans will be discussed for the observance of "Remembrance Day" which falls this year on November 9th.

All members and other persons interested in the Association are asked to attend.

## LETTERS to the Editor

(Not the responsibility of the Editor)

Sr:

Please grant me space in your widely read paper to express and convey my gratitude to the many friends who have helped to make my vacation in your lovely little island a pleasant one. I hereby take the opportunity of thanking the Hazlewoods and Frasers for all their time devoted.

(s) Mrs. Doris White  
Apex Oilfields, T'dad.

LOOKIN' AROUND....  
(Contributed)

Looking around for a topic to write about I happened to stroll in to the Lago Sport Park one afternoon early this week.

A Baseball game was in full swing.

I saw quite a lot of spectators aged about 6 to 60. They, the very young as well as the not so very young, were excitedly rooting (clapping, shouting and arguing) for

## SOUVENIR SHOP

their favorite team.

The players were all small boys I learned that the match was one of a competition organized by the Lago Sport Park Committee. The teams playing at the moment were in the Junior Class which comprises boys up to age 15.

I watched the kids do their stuff in big mannish style. There was a Campanella, a Johnny Mize, a Rizzuto, a Snider; almost all of America's baseball aces had a hand in this Junior Class match in Aruba.

I could not prevent myself picking one of the teams and, in my own

quiet way, root for 'm most fervently...

It doesn't really matter who won that match...

I left the Park satisfied and with the conviction that:

1. Baseball is gradually and steadily becoming one of the leading sports in Aruba.
2. A lot of good social work is being done in this connection through the Lago Oil & Transport Co.

H.v.B.

## Lip Rouge Lesson

In applying lipstick, Virginia Grey, star of RKO Radio's "Slaughter Trail," recommends the following method: Carefully follow the outline of your lips with your lip brush, then fill in with the lip rouge by using vertical strokes rather than horizontal ones. This prevents that tired, wrinkled lip appearance.

### SENIOR LEAGUE

#### HEINEKENS SWAMP LOCAL 16 — 2.

Heineken's "B" trounced Local 16—2 last Sunday afternoon at the Lago Sport Park before a large crowd.

Opening with eleven runs in the first on four hits and a homer by R. Peters, Local was able to hold Heinekens their tough opponents to zero through the second and third innings. In the last of the third Local saved the shut out when Richardson scored on a balk after reaching first on Lanoy's error.

Heinekens scored Larmonie in the fourth, Perrotte in the fifth from a single and error, Escolona and Larmonie in the sixth on a single and a ride and Peters in the eighth on two singles, two rides and an error on the left field. Local pushed over their second run in the bottom of the eighth when Pitcher Jack blasted a homer with empty bases.

G. Stamper took the win, while Jack carried the blame.

### INTERMEDIATE LEAGUE

#### ACE DEFEATED M. & C. CARDINALS 26 — 2.

Heavy scoring marked this week's

games as the Ace Boys swamped the Cardinals 26—2 at the Sport Park Sunday morning last.

Despite the defeat, the Cardinals were game throughout. At close of the game, Ace had collected 12 hits and made 4 errors, while the Cardinals got two hits (both by Cornet) and made 23 blunders. M. Arends was winning pitcher while Halley took the loss.

#### PIRATES DEFEAT RED SOX 5 — 4.

Pirates came from behind and won an excellent game from Red Sox Saturday last in the ninth inning.

Red Sox opened the scoring in the second with a single by Kock who took a dead ball, stole second and scored when Peterson rolled to the pitcher who fumbled. In the third, Red Sox completed their scoring on a double by Kock, three stolen bases a pass ball and an error with Mezas, Krind and Kock making the rounds.

With the score 4—0 in favor of Red Sox, Pirates scored their first run in the third when Aparicio scored from a walk when Montiner made an infield hit. The score was tied up in the eighth when Oduber, F. Montiner and Aparicio scored on three rides and an infield hit by Vos and Suzane's single to right field.

Lefty Lejuez who was shelved in the seventh for Brown took care of

the left field, but Brown proved none the better and the Pirates took advantage of the situation and scored Tromp when Aparicio singled to left center.

Pirates and Red Sox used two pitchers each, Hubert and Suzane for Pirates while Lejuez and Brown represented the Red Sox.

#### INDIANS JRS. SHUT OUT LOS INDIOS 4—0.

Thursday afternoon last week, Los Indios took 4—0 shut out from Indians Jrs. in a thrilling game. Indians scored Richardson in the second on two errors, and Nedd, Tross and Richardson in the third on two singles and two errors.

J. Richardson was the winning pitcher while Eddie took the loss.

#### LOCAL HOLD BABY RUTH JRS. TO DRAW MONDAY AFTER- NOON.

Local held Baby Ruth Jrs. to a 4—4 draw Monday afternoon when Umpire Luther Panthophlet halted the game because of poor light.

Baby Ruth opened with a single when Huckleman got a ride, stole second and scored on Illidge's single over second. Local replied with a triple scoring J. & R. Alexis and Mjngo on four hits after two

outs. Baby Ruth scored Simmons in the third on an error at short, two stolen bases and a rollin to second by Jack.

With the score 3—2 in favor of Local, Baby Ruth took lead in the fourth when Ellis and Illidge scored on a single, base on balls and error by Cather R. Alexis after two outs.

Local tied up the score in the bottom of the fourth when Rodriguez singled, advanced on a pass ball and scored when Papin Wilson rolled to Huckleman on second who erred.

J. Simmons tossed for Baby Ruth while Wilson and J. Alexis pitched for Local.

## BOXING

### PORTUGUEZ THRILLS FIGHT FANS IN TAKING UNANIMOUS DECISION FROM BULL GILKES.

Last Friday night, 1,027 paying fans contributed Cfl. 4,169.50 to see the thrill packed card presented by promotor J. Eusebio Croes at the Arena National in San Nicolas.

The main dish was a 10 rounder between Tuzo Portuguese, 160, and Bull Gilkes, also 160.

Once again boxing fans and followers of the Bull had an opportunity to admire the kid's stamina. Whatever may be said of Bull Gilkes, it cannot be taken away from him that he is a crowd pleaser and the game man until the final minute of his fights.

Although completely outclassed and outboxed by the far superior and hard punching Portuguese, who banged at the Bull almost at will, Gilkes would always bounce right back and continue to bore in, wearing down his opponent.

On the official score cards Portuguese was way ahead. All three officials saw it for Tuzo by wide margins. Judge Nassy called it 7-2-1; Judge Oduber made it 6-1-3; and referee Hochstuhl agreed with judge Nassy on 7-2-1. THE LOCAL's tally gave an even wider margin to Tuzo, seeing it 8-1-1 with 96 and 54 points respectively.

In spite of these margins, Tuzo did not have an easy task. He

was cut over the right eye early in the fight and several times the Bull landed effectively on the same spot throughout the contest. Also, for the first 7 rounds it appeared as if the Bull's pace might well prove more costly to Tuzo than his punches.

There were three knock-downs in the fight, all scored by Portuguese. The first came in the 7th., when Bull Gilkes rushed forward — wide open — and walked into what may be the best punch ever seen in our ring to date. Tuzo's short hook found its target flush. So perfectly well aimed and powerful was the blow that the impact on Bull's jaw could be sensed immediately and Tuzo did not worry to throw a follow-up.

Gilkes hit the canvas like a bag of salt, and it goes to his credit that he came off the floor at the count of 7 to finish the round.

To the experienced eye however, it was quite clear that this was the deciding punch of the fight.

Bull's pace slowed considerably, thereby allowing Tuzo to take complete control of the situation.

Repeatedly he danced around his foe, setting him up before ripping into him with a fine selection of

head and body blows, driving his opponent into the ropes.

In the 8th., the round following that Sunday punch, Gilkes was again sent down for an eight count, and came off the canvas only to find more punishment waiting and to send him crashing down again for what looked like the end, but the bell came to his rescue.

Then came the highlight of the fight. Bull Gilkes the game man came out for the ninth and when the final bell sounded after the tenth heat he was still on his rubbery legs, badly bruised and beaten, but gallantly fighting back.

Tuzo Portuguez, a fighter with a kayo wallop in either mitt, is a fine boxer who takes his business seriously. He is the friendly type who has no difficulty in winning fans. He can take and give it as well.

Definitely in a class above Gilkes', age seems to be creeping in on him as evidenced by the flat footed manner in which he moves around. He also has some of the stuff around the waistline which befits a banker better than a boxer.

The crowd was highly pleased with the performance of both fighters and had every right to be. When asked whom the promotor should bring to Aruba to fight Tuzo, Garraway or Miro, the shouts for Miro won the screaming contest. Indeed a good decision and fans look forward to the match of classics where speed may be the only deciding factor.

In the supporting bouts Coco Gilkes, 161, scored a tko over poorly conditioned Slipping Tiger, 162, in the last round of a scheduled 8 rounder. The fight was rather dull and boring, with Gilkes having the edge.

Kid Bellot, 152, and Young Quick Silver, 147, fought to an official 6-round draw on a split decision. THE LOCAL had it for Quick Silver 3-2-1.

Kid Godoy, 128, made quick work of Kid Curacao, 130, by knocking him down twice in the opening round before the fight was halted in 2.45.

In the curtain riser Aruba Cho-

colate, 129, met a tough and rough opponent in Dakota Terror, 128, from whom he picked a split decision over 4 heats.

Special mention should be made of the worthy gesture of the promoters to observe one minute's silence before the main bout in honor of the late Roberto Koko, a local boxer, popularly known around the ring as Comenencia, who recently met with a tragic death in an accident at Lago.

came the highest paid pilot in the sports history.

World famous short stop Chico Carrasquel said he is willing to renew his contract with the White Sox for 1953 provided he is paid the same salary or higher. Chico arrived in his native Venezuela last Tuesday, October 14. The White Sox owners have granted him permission to play ball for his team "Caracas", but only once a week. "Caracas" is now engaged in the professional series which started in Caracas last week.

The Brooklyn Bums made it known that they will have 7 or 8 new players among their 9 regulars for the 1953 series. The Dodgers are trying hard to buy home run king pin Ralph Kiner.

## World News

### SOUTH AFRICA.

Dr. Malam, in a recent speech accused India of blackmailing America and Great Britain. He declared that India, by relying on her strategic position in the world and her four hundred million population, was keeping the world guess-

ing which side she would join in a war between the Communists and anti-Communists.

He also accused Mr. Nehru of inciting the non-European defiance of unjust laws campaign in South Africa. He pointed out that the United Nations, having tried to interfere in South Africa's domestic affairs had shown an intention of interfering in the affairs of the French in the Colonies of Morocco and Tunisia, but France had pushed her foot down. He said France

had brought about a change in international affairs by demonstrating that interference with domestic affairs would not be tolerated.

He hoped that with this opposition from France — one of the big Four powers — the United Nations would desist from trying to interfere with South Africa's domestic problems.

**KOREA.**

Communist negotiators accused the United Nations Command of breaking off the Korean Truce talks last Wednesday without waiting for their side to speak.

In a note handed to United Nations liaison officers at Panmunjom, the site of the peace talks, the reds insisted that the Allies broke off the negotiations at a time when the Communist had put forth a reasonable proposal capable of setting the question of repatriation of war prisoners.

The question of repatriation is the last big issue blocking an armistice.

Meanwhile, the fighting along the front continues furiously with the Reds putting everything they have into the fight. One of the most contested spots is the White Horse mountain which overlooks the town of Chormwon and dominates the road to Seoul, and during a non-stop 125 hours of fierce fighting the peak changed hands 23 times.

Consulate-General in Bombay and the Chinese Communist Government has agreed that the Indian Mission in Lhasa should be designated as a Consulate General.

With this move, the formal end of India's direct foreign relations with the Tibetan Government, carried on during the past sixteen years by the Mission was sealed. In the future, the Chinese Government, which now has full control of foreign relations in Tibet for the first time in history, will deal directly with India on matters relating to Tibet.

**LONDON.**

At the second Parliamentary Conference on World Government, the delegates from 25 countries heard some hard truths about the world's affairs.

Nigeria's representative, referring to the world's underdeveloped territories, stressed that three quarters of the world's population live on less than 10 per cent of the world's income. These hundreds of millions, he declared, did not want equality. They merely wanted more food, better housing, better medical and educational facilities and more enjoyment of culture. These were the real wants of human society.

**TUNIS.**

The last week end saw a series of outbreaks by Nationalist groups, and in order to keep outbreaks to a minimum, the authorities clamped down a strict censorship on news-

papers.

The newspapers were forbidden to print reports of activities or to comment on outbreaks but were given an official Government bulletin for publication. This bulletin revealed that the former Sheik Brabi el Duaffai of Dekhia was seriously wounded by two bullets fired by unknow attackers and that a band of masked men had made a Grenade and sub machine gun attack on the Dejedeida Radio station.

wealthy farmer, Takamasa Ikeda, son of a former nobleman. A few hours after the ceremony she granted newspaper an interview and disclosed that she would like to have three children. (Her husband said he wanted only one child.)

#### ENGLAND.

Dr. Ewan Forbes-Sempill, who changed his name from Elizabeth recently, because of a sex change, married his housekeeper last Friday night in a ceremony behind locked doors to which only a few friends were invited.

While he had announced his intention to marry, the actual date was not known and up to an hour before the marriage, the doctor went on his usual rounds. Then the few guests arrived at his home, Brux Lodge, including the doctor's brother, Lord Sempill. The bride was 40-year old Isobel Mitchell and the local priest, Rev. Peter McEwan performed the ceremony.

#### Probe Into Railway Crash.

Last Wednesday, one of the worst railway crashes in England occurred when three trains were involved in a crash. On Saturday, the official death toll was reported to

be 108 with 3 still unidentified. A public inquiry into the crash opened on Wednesday this week, but no reports are available as yet. Normal services were resumed two days after the wreck.

#### Attlee appeals to party for Unity.

The leader of Britain's Labor Party, Mr. Clement Attlee, appealed to Mr. Bevan followers to stop their "civil war" tactics and turn their guns on the enemy. He declared that the existence of the party within a party, with separate leadership, separate meetings and supported by its own Press was intolerable. It is inimical to effective action in the house of Commons and breeds suspicion and uneasiness throughout the movement.

He would like those concerned to stop the division, and work with the team.

#### PERSIA.

This week it was announced that the Government had smashed a foreign-aided plot against the Premier, Mr. Mossadeq, by arresting four men, one a retired general.

The announcement was made by the new Foreign Minister, Hussein Fatemi, at a news conference.

The Government charged that the men arrested schemed with certain unnamed members of Parliament in the interests of a certain foreign embassy. Those arrested are General Mohammed Abdulhossein Hejazzi, ex-head of the National Military Academy, and the three brothers of a wealthy family, the Rashidians.

One of the unnamed members of Parliament seems to be Senator Zahedi, an outstanding Army officer. As a senator, he is immune from arrest, but the Government put a police guard around his home. It is rumoured that Senator Zahedi was the plotters' choice to replace Mossadeq in a planned coup.

nine million dollars in aid under a new agreement from Britain, the United States and France. This move is regarded by observers as a demonstration of the Western powers' confidence in Yugoslavia's ability to contribute to the defense against Soviet aggression.

The United States will contribute seventy-eight million dollars, Great Britain thirteen million and France eight million.

Due to the serious drought which has cut the harvest expected to pay for imports, the Government has clamped down a tight ban on luxury imports and upon some agricultural and industrial goods. In view of the urgency for the aid arrangements were completed for the immediate release of thirty million dollars in supplies desperately needed, part of which will be purchased in Europe.

**BELGIUM.**

In the nation wide municipal elections held last Sunday, both the communists and Social Christians suffered a severe defeat, at the hands of the Socialists.

The Socialists, heartened by their successes immediately demanded the dissolution of the Parliament and new elections.

Although the municipal elections has no effect on the party's actual standing in Parliament, the Socialists claim that the elections show the present Parliament, controlled by the Social Christians, no longer represents the country.

**"SPIRITUAL CONTACT WITH SAUCERS!"**

Mexico City: The newspaper "Ultimas Noticias" reported that Jose G. Ramirez, Director of the "Fraternal Union" of Spiritualism, centered at Torregon, Mexico, claimed that he made "spiritual contact" with flying saucers which have been reported seen over North and South America.

According to the newspaper Ramirez said: "Five flying saucers which crisscross the heavens of Mexico and the United States come from the planet Mars," and that Mars is not called Mars in that planet but Tum-Brum.

Ramirez said that "the chief is called Diks-Yu, and comes from the city of Mirshy, the capital of the most advanced country of Mars. The saucers, known as Ry-Ting, are aircraft which are beyond the human intelligence."

hower has been plagued by a series of mishaps during his whistle stop campaign through the country. At Saginaw, a crowd of 20,000 persons had gathered at the

first station to hear the famous Republican presidential candidate address them from the rear platform of his special train. Scheduled to make a fifteen minute talk, the General just managed to say "Ladies and Gentlemen" when the train pulled out of the station leaving his audience both flabbergasted and disappointed. In a desperate effort to straighten things out, a state policeman sprinted alongside the moving train to try to catch the attention of the engineer in the locomotive, but to no avail. "Whoops, they are taking me away", were the last words the Saginaw crowd heard from the frustrated General. A little while later at another whistle stop where he was supposed to speak for five minutes, the General fared even worse. There the train departed immediately after Eisenhower had been introduced to the crowd without even giving him a chance to say hello. When he asked for explanation, the train engineer whose political affiliation remains an official secret, said that he had orders to stick to the train schedule and that the train had been late. Nevertheless, he was relieved of his duties.

a human being, surgeons saved the life of a five year old girl born with a punctured heart. Overstrained by too much pumping of blood, the heart became enlarged and the child was near death. Put into a "deep freeze", the patient's normal temperature of 98.6 F was brought down to 79 F before the surgeons made an incision, and after binding off the veins that pump blood to and from the heart, patched up the hole in a little over five minutes. It took forty minutes and dips into hot water to bring the girl's temperature back to normal but it did not take her more than a few weeks to recuperate so completely that she is now going back to school. Surgeons set great hope by the future of these "bloodless heart" operations.

pumping, has already been tested in Sweden with favourable results. The apparatus, which is all-automatic, has been constructed by Dr. Ake Senning and Mr. P.A. Astradson, engineer of the AGA. company. Ventricular flutter has hitherto generally been considered fatal. Experiments on dogs with this apparatus have, however, given promising results, several of the dogs has been operated on having survived.

### ODD SPOT

*Still in the air:* In Kingston, Jamaica, recently, an airline executive found himself involved in a violent quarrel with a porter of his office staff. Strong words threatened to become stronger and, fearing the worst, the executive called loudly for the police.

When the executive called to his subordinates to fetch the police, the porter pulled from his pocket a District Constable's badge and a pair of handcuffs, dropped them on the executive's desk and said: "I AM a policeman, so what?"

A SURE BET !

While the girls unconscious of the threatening danger curiously observe the settlement in the valley, the sharp eyes of the Arabian guide have perceived the horsemen. He understands that the guards belong to the village and he doesn't expect anything good from them. With a

long cry he warns the girls who look up in surprise. "There seems to be something going on", says Marga, "we'd better go back." Meanwhile the guards have alarmed the village. Intruders have been signalled! At once the whole population is thrown into commotion. Strangers are not

welcome here. "Go and get them", the sheik calls out, "and take them to me, whoever they may be." Marga and Willy meanwhile have fled and follow their guide into a narrow chasm. The yare not aware, that now immediate danger is impending.
